

Hi Parents,

We wanted to give you some additional information about the tutoring program at The Connection.

- **Start & End Times for our Fall Tutoring Session:** Sessions will be every Tuesday and Thursday from 3:30 pm until 5:00 pm. Session dates and/or cancellations will be shared once students are enrolled.
- **PikMyKid & Riding Bus:** Those students being tutored will ride a bus to The Connection. Please mark the dismissal change in the PikMyKid app on Tuesdays and Thursdays. There will be a group created for tutoring at The Connection. Please message Kelsey Jones if your child will not be able to attend, so we know not to expect them.
- **Pick Up:** Students will be signed out upon arrival of an approved adult picking them up. Students should be picked up on time. Failure to do so may result in dismissal of student(s) from the tutoring program.
- **Students & Schedule:** Your child will work with a tutor in a small group. We plan to have a snack time and relationship building time once the kids arrive. Then, we'll use a mix of assignments from your child's teacher, activities, and games to help students where they need assistance.
- **Come Prepared:** Your child should keep their reading and spelling homework in their home folder for the week, so the tutors can use those materials when they come for tutoring.
- **Expectations:** If your child is being disrespectful or disruptive and is not responding to redirection, you will be notified to come and pick them up. Ongoing behavior problems will prevent your child from participating in our tutoring program.

If you have any questions, please don't hesitate to reach out,

Kelsey Jones
